Dear School Community,

In light of the Governor's most recent announcement easing COVID-19 restrictions for schools, including an end to outdoor gathering limits, I am pleased to update our school community on a few year-end activities that are immediately impacted. I am also pleased to announce a new partnership with Walgreen Pharmacy to host a *COVID-19 vaccination site at Kingsway Regional High School* for students who are 16 years or older. Vaccination dates will occur on Saturday May 15 and Saturday June 5. A separate communication with registration details will be sent soon.

Should you have any questions please do not hesitate to contact me at your convenience.
