Dear Parents/Guardians/Students,

In light of the Governor's recent announcements ([Executive Order No. 241](#)), we are updating the District's [General Health & Safety Guidelines](#) as it relates to travel quarantine and outdoor mask wearing, effective immediately.

- **Travel Quarantines** have been eliminated for students and staff traveling to destinations outside of New Jersey.
- The **Outdoor Mask mandate** has been eliminated for all spectators, coaches, officials, student-athletes and all participants involved in outdoor athletic events.
- Students, staff and visitors involved in non-athletic events, outdoor classrooms and/or outdoor gatherings may be **exempted from the outdoor mask mandate** if/when presented with any condition below:
 - Wearing a mask would inhibit a person's health
 - Wearing a mask creates an unsafe condition in which to operate equipment
 - Eating/drinking
 - Engaged in high intensity aerobic or anaerobic activity, exercise or music class
 - Outdoor temperatures reach 75 degrees or higher.

Be advised that the **indoor mask mandate remains in effect** for all students and staff, regardless of vaccination status, when school is in operation and/or students/staff are riding a school bus.

If you have additional questions, please do not hesitate to contact me at your convenience.

Very truly yours,

Dr. James J. Lavender
Superintendent of Schools
