## **TEAMS**

The goal of teaming is to provide a more personalized learning experience for students. Teaming allows teachers to discuss the students they have in common and helps in the transition from elementary school to middle school.

### *Teaming Facts*

- Each team has approximately 115 students.
- Each team is assigned a team leader.
- The team has a common prep period used to schedule parent/guardian conferences, meet with individual students, develop action plans for students, tailor instruction to fit the needs of students and plan team events.
- Students are randomly assigned to a team.
- Each team is heterogeneously grouped, and each team teaches the same curriculum for each subject.
- Teachers may be assigned to different teams and/or grade level from year to year.
- Requests for teams or teachers are not honored.

## **GRADING**

Kingsway Regional School district utilizes a 10-point grading scale. Each course further utilizes assigned categories and weights as shown below.

Letter Grade	Numerical Grade
A	90-100
B	80-89
C	70-79
D	60-69
F	59 and below

<b>Primary Assessment</b>	Weight – 50%	Purpose: Summative assessments to evaluate mastery/comprehension
<b>Secondary Assessment</b>	Weight – 40%	Purpose: Ongoing or formative assessments to guide instruction
<b>Supportive Assessment</b>	Weight – 10%	Purpose: To reinforce and facilitate comprehension

## SCHOOLGY

Kingsway Regional School District adopted Schoology as its Learning Management System (LMS) to support students' virtual learning and to streamline student, parent, and faculty interactions in an all-in-one virtual environment.

Through Schoology:

- Faculty can deliver class materials, assessments, feedback, grades, and other support services to students in one “digital ecosystem”.
- Students can submit assignments digitally, review individual assignment feedback, track grades (rather than going to PowerSchool), participate in interactive discussions, receive announcements and feedback, write blogs, and more.
- Parents can view their children's activity, check grades, and communicate with teachers all within the Schoology platform.

For more information, please view the Schoology webpage <https://www.krsd.org/Page/1769>.

## TECHNOLOGY

To enrich the overall learning experience and provide the students of the Kingsway Regional School District with the tools they need to be successful, the district purchased Chromebooks for each of our students.

Student Expectations:

- All seventh and eighth grade students will receive a Chromebook on the first day of school (given the parent/guardian has completed the 1:1 Technology Use Agreement online through the registration process).
- Students are required to obtain a Chromebook.
- Students are required to bring their school-issued Chromebooks to school each day.
- Students are expected to use the Chromebook appropriately and for school-related assignments.
- Students are expected to review “The Acceptable Use Guidelines” on pages 3-10 in the Technology Student Handbook.
- Students are expected to use the carrying case for the Chromebook, charge their device each night, and take care of the device.

What will the students be provided with?

- Chromebook
- Protective bag for the Chromebook
- Charger
- On-going technology support from the KRSD Technology Team

For more information, please view the Technology webpage <https://www.krsd.org/domain/124>.

## SCHEDULES

Students will receive their schedules on the first day of school. Over the summer, every effort is made to properly schedule students into core classes. Elective requests are considered, and every effort is made to ensure students receive at least one of their top choices. In some situations, we are not able to accommodate first choices. At that point, alternate choices are used.

All schedule change requests must be submitted in writing to the school counselors in the middle school. For a schedule change to take effect before school begins, the request should be made before August 22, 2022. The deadline for making schedule change requests is September 9, 2022. After this time, changes will only be considered due to clerical error or misplacement.

## **ATTENDANCE**

Students who exceed 8 unexcused absences will not be able to participate in after-school activities/clubs and attend school trips. Additionally, students who exceed 8 unexcused absences for a high school credited course (Algebra I, Geometry, Spanish A/B, French A/B, and Italian A/B), will lose credit for that course. If a student must be absent, we ask that you submit appropriate documentation promptly to ensure the absence is excused. Examples of excused absences are student illness, death in the immediate family, medical/dental examinations, and religious holidays. Please note: vacations are not excused absences.

Reporting an absence in the middle school: call (856) 467-3300, press 2 (please leave a message: your name, child's name, grade level, and reason for absence). An outbound voice message will be sent to all absent students. Please disregard if you have reported your child absent. If you have any questions, contact Ms. Michelle Gray, attendance secretary, at 856-467-3300 ext. 3049.

For more information, please view the Attendance webpage <https://www.krsd.org/Page/956>.

## **TRANSPORTATION**

Every student is assigned a bus route. You will receive your child's bus pass with a pick-up/drop-off time and location in the summer mailing (late August). Your child must arrive at his/her bus stop 10 minutes before pick-up time each morning; the bus is unable to wait. In the afternoon, all buses are parked on the outer perimeter of the school. It is your child's responsibility to know where his/her bus is parked. We will assist if issues arise. Also, a parent/guardian picking up should arrive no later than 2:38 p.m.

If your child participates in an after-school activity there will be a 4:15 p.m. bus, which can be found in front of the school. Please keep in mind that the 4:15 p.m. bus may not drop-off at the same bus stop. These routes are created each day depending on the number of students on the bus. The parent/guardian picking up must be at the school no later than 4:10 p.m. The 4:15 p.m. activity bus runs Tuesday through Thursday.

For more information, please view the Transportation webpage <https://www.krsd.org/transportation>.

## **CAFETERIA**

Each student is assigned to eat during a specific lunch period. Lunch periods are 22 minutes in length. The cafeteria is equipped with a debit system ([www.myschoolbucks.com](http://www.myschoolbucks.com)), allowing students to keep money on a lunch account. A student can choose to pay for his or her lunch by utilizing one of the following three methods: student ID card, five-digit ID number, or cash payment. If you have any questions, contact Ms. Holly Haynes, director of food services, at 856-467-3300 ext. 4227.

For more information, please view the Food Services webpage <https://www.krsd.org/Page/269>.

## **PHYSICAL EDUCATION**

Students are required to dress in a physical education uniform for class each day. Physical Education uniforms will be available for purchase at designated times throughout the summer. Dates, order forms, and prices will be forwarded via email and posted on the website. Uniforms will also be available for purchase the first week of school during physical education class. Throughout the school year, students can purchase uniforms with their PE/HE teacher.

## LOCKERS

Each student is assigned a locker at the start of the school year. The locker is equipped with a combination lock.

## DRESS CODE

School is an occasion for which students should dress in good taste. The following types of clothing are NOT to be worn to school:

- Items that interfere with the health or safety of any student
- Items that contribute to a hostile or intimidating school environment
- Clothing or accessories with offensive, distasteful or suggestive images or language (E.g. profanity, hate speech, and erotic language/images)
- Clothing or accessories that denote, suggest, display or reference alcohol, drugs, or related paraphernalia, weapons, or other illegal conduct or activities
- Clothing or accessories that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights
- Excessively ripped or revealing clothing, that exposes a disproportionate amount of skin (i.e. rips in pants cannot be above fist length)
- Shorts, skirts, dresses that are above fist length
- Pants/jeans or the equivalent worn below the hips
- Tube tops, midriff-baring shirts, crop tops
- Sunglasses (unless prescribed by a doctor and a doctor’s note is provided)
- Accessories that could be considered dangerous or could be used as a weapon
- Pajamas or pajama pants, slippers, robes, blankets, pillows
- Outerwear & head coverings (heavy jackets, overcoats, rain gear, gloves, hoods, hats, baseball caps, bandanas)

Clothing and make-up that has the potential to disrupt the learning process will not be tolerated. If based on the judgment of the administration a student is found in violation of this policy, the student will be required to change and will be subject to the discipline code.

## BULLYING POLICY

Kingsway Middle School has zero tolerance for bullies. Bullying behaviors include written, verbal or physical acts, including gestures and electronic communications (texting and all social networking sites), that insult or demean another student, interfere with the educational environment of another student, or severely cause physical or emotional harm to the student. The act may occur one time (if severe enough) or through a series of incidents. The first offense for harassment, bullying, or intimidation of another student is three days of restricted study.

Kingsway depends on its students to help the school environment remain bully-free. If students know of a bullying situation, they need to report it to a teacher, school counselor, or administrator so that the problem can be fixed. This is done confidentially so no one will know who told. Kingsway Middle School is a great place to be, and we must all do our part to keep it that way!

## SOCIAL NETWORKING SITES

Social networking sites such as Snapchat and Instagram are a good way to communicate with friends if used responsibly. Because of the anti-bullying laws in the state of New Jersey, schools may discipline students for inappropriate comments made on social networking sites even if they are made outside of school. If your child uses these sites, be sure they understand to post comments that do not offend, threaten, harass or intimidate others. In addition, students are not to use such sites to spread gossip or rumors about other students. Any student engaging in inappropriate behavior will be disciplined according to the discipline code outlined in the student/parent handbook.

## RENAISSANCE PROGRAM

Kingsway Regional Middle School is a proud Renaissance School. Partnering with local businesses, the community, and parents, this incentive program recognizes students for their hard work and effort in a variety of ways. The program highlights and rewards students in the following areas: academics, behavior, attendance, community service, and after-school participation. A celebration occurs each marking period once students qualify for the program; additionally, once students become members of the program, students are awarded their renaissance card to use in the community.

### **PARENT/GUARDIAN TIPS**

Most parents/guardians earnestly desire to help their child acquire the maximum benefits from their school experience. Here are some ways in which they can help:

- Encourage your child to be his/her advocate.
- Assume the role of “primary educator” of your child and work collaboratively with the school to ensure the success of your child.
- Show your child how to work efficiently and effectively.
- See that your child has the proper amount of sleep. A child in middle school should have at least 8-10 hours of sleep each night.
- Ensure that your child maintains good health and nutritional habits.
- See that your child has the proper materials and resources in order to tackle the job of studying.
- Monitor your child’s progress by utilizing PowerSchool and Schoology, and stay in regular contact with your child’s teachers.
