

## RANDOM DRUG TESTING FOR STUDENT ALCOHOL OR OTHER DRUG USE

### **RANDOM DRUG TESTING FOR STUDENT ALCOHOL OR OTHER DRUG USE RANDOM TESTING FOR STUDENT ALCOHOL OR OTHER DRUG USE**

The New Jersey Legislature found there are many school districts within the State with a growing problem of drug abuse among their students. Federal and State Courts have held it may be appropriate for school districts to combat this problem through the random drug testing of students participating in extra-curricular activities, including interscholastic athletics, and students who possess school parking permits. The New Jersey Legislature passed legislation that is consistent with the New Jersey and United States Constitution for the random testing of school district student in grades seven through twelve who participate in the school district's interscholastic athletic program, participate in the school district's extra-curricular program, and receive a school

district authorized parking permit to park a personal vehicle on school district property.

The purposes of this random drug testing program is to have a positive effect on attaining the important objectives of deterring drug use and providing a means for the early detection of students with drug problems so that referral for evaluation or

referral for treatment, pursuant to N.J.A.C 6A:16-4.4(b)10 and N.J.A.C 6A:16-1.3 and

4.1, or other appropriate assistance may be offered.

Parents and student in grades seven through twelve who participate in the school district's interscholastic athletic program, participate in the school district's extra-curricular program, and receive a school district authorized parking permit to park a personal vehicle on school district property (eligible students) will be required to sign a Consent Form consenting to the provisions of the Program for twelve months.

The Board's Program will randomly test a minimum of 10% of eligible students from September 1 through the last day of school. In accordance with the provisions of N.J.S.A18A:40A-23, the district's random drug and alcohol testing program (Program) will test for the use of controlled dangerous substances as defined in New Jersey

Statute 24:21-2, and alcohol. The Board of Education will annually adopt a list of prohibited substances to be tested and the cut-off levels for each substance that determines a positive test before the beginning of each school year and upon initial implementation of this policy. This information will be provided to each parent and student with the Consent Form.

Any disciplinary action taken against a student who tests positive for prohibited use or who refuses to consent to testing shall be limited to the student's suspension from or prohibition against participating in interscholastic athletics, extra-curricular activities and/or revocation of the student's parking permit. **A student, whose parent has signed consent, who refuses to test, or who is determined to have tampered with a sample, will be deemed to have a positive test result and will be subject to the appropriate provisions of a positive test result**

**A student who is randomly selected to be tested, but is absent on the day of testing, will have a sample collected on the next random testing date.**
