# ***RED RIBBON WEEK***

OCTOBER 25TH, 2021 - OCTOBER 29TH, 2021

**October 25th,  
2021-  
October 29th,  
2021**

Red Ribbon Week began in 1988 and the ribbons are a united way to show we take a stand against drugs and drug abuse. The goal of this week's activities is to help educate our students about the negative and impact of drug use.

Information about drug prevention will be shared around the school via posters, Dragon Radio, Schoology, KDTV, The Flame, and @KRSDSADD on Instagram.

During SMART lunch, SADD club will be holding a Red Ribbon Week pledge activity for students to share their Natural Highs and why they choose to sustain from Substance Use.

If you are interested in doing any activities in class, check out: <https://www.naturalhigh.org/playlists-2021-red-ribbon-week/> for short videos and follow up discussion questions or check out our [KRSD Planning Guide](#)
