The National Merit® Scholarship Program is an academic competition for recognition and scholarships that began in 1955. Approximately 1.5 million high school students enter the program each year. Some 15,000 Semifinalists are notified that they have advanced to Finalist standing. Tim not only became one of 15,000 nationwide finalists but has recently been selected as just 1 of 7, 500 National Merit Scholarship winners! We already knew Tim as a very academically talented student and we are proud that his abilities, skills, and accomplishments are being recognized at a national level.
